OTHER ACTIVITIES OF THE DEPARTMENT OF ART AND CULTURE

In addition to daily cultural programme, the Department of Art and Culture also takes up the following activities from 1st to 10th December:

I ARTISTS CORNER

The Artists Corner shall be organized by the Art Branch of the Art and Culture department at Kisama from 1st to 10th December coinciding with the Hornbill Festival to facilitate constructive dialogues between the artists and the public and to understand the potentials of visual arts for gestation of positive thoughts and ideas. Activities such as display and sale of artworks, demonstration, exhibition, sale of Paintings, sculptures, exclusive crockery ware, research photos, demonstration of Naga Traditional art and Fibre-glass sketching etc. will be some of the central attraction of the corner.

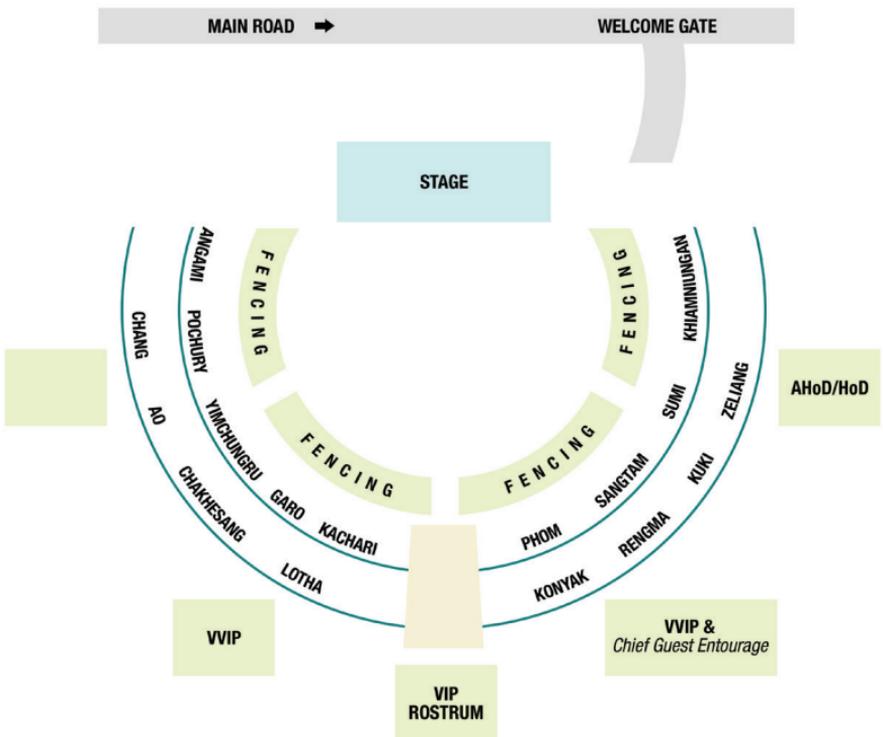

I ARCHIVES SECTION

The Archives Branch of the department being the custodian of the State's Documentary Heritage will organize the "State Archival Exhibition" at Kisama coinciding with the Hornbill Festival from 1st to 10th December every year. During the program, the non-current records of enduring values of the State will be displayed so as to create awareness on the importance of the historic records. Records such Maps, Public and Private Papers, Newspaper Clippings, Rare Books and Photos etc. will be displayed.

I WORLD WAR II MUSEUM

The Museum is one of the central attractions for the visitors both domestic and international alike. As the caretaker of the historic relics housed in the museum that has made Nagaland etched a mark in the international arena, World War II Museum under the department of Art and Culture will be opened to the public from 1st to 10th December to facilitate the visitors to view and educate themselves about the importance of the Artifacts, Relics etc.

SKETCH MAP FOR CULTURAL TROUPES

Notes ○

The page is a vertical notebook page. At the top, the word "Notes" is written in a cursive font, followed by a small circle and a horizontal line. Below this, the page is divided into five sections by a vertical grey bar on the left. The first section is light blue and contains three horizontal lines. The second section is light yellow and contains three horizontal lines. The third section is light blue and contains three horizontal lines. The fourth section is light yellow and contains three horizontal lines. The fifth section is light blue and contains three horizontal lines.

The page contains 18 horizontal lines for writing, arranged in four groups of three. The background colors of the lines alternate: the first three lines are light blue, the next three are light yellow, the next three are light blue, and the final three are light yellow. A light gray vertical bar is positioned on the right side of the page, partially overlapping the lines. The word "Notes" is written in a cursive font at the top right, with a small circle to its left.
